Wildfires Infographic PBL:
In this project, you will work in teams of two to develops a unique infographic on the topic of WILDFIRES!

☐ **Step 1: Submit a Proposal** You will submit a proposal through Google Forms with your idea of driving questions

☐ **Step 2: Research, Research & Research Some More! MUST HAVE THREE CREDIBLE SOURCES FOR YOUR INFOGRAPHIC**
  - After you receive feedback from me, and read the Google search blog post to learn how to search smarter. Get More Out of Google Search infographic with them.

☐ **Step 3: Evaluate the Credibility of Digital Sources**
  - Complete “Got Credibility?” Google form for each of their three online sources to ensure they are credible. You must annotate each of your three sources and send to me. You can use notability, or print out and annotate.
    [https://prezi.com/ctwisjrqb7h/why-how-to-annotate-a-text/](https://prezi.com/ctwisjrqb7h/why-how-to-annotate-a-text/)

☐ **Step 4: Explore Infographic Tools**
  - venngage
  - Canva
  - Easel.ly
  - Piktochart
  - Infogr.am

☐ **Step 5: Check Out Infographics**
  - [Visual.ly](https://www.visual.ly) has a huge collection of infographics on a variety of topics. Students can search “entertainment,” “health,” or “environment” to view infographics on topics they are passionate about. Critique different styles of infographics and discuss the following:
    - What strategies or visuals were you drawn to or felt were particularly effective?
    - How was the information displayed?
    - What type of organization did you prefer when looking at the infographics?
    - Were there any elements you did not care for?
    - What strategies would you like to replicate in your own infographic?
Submit a storyboard of ideas either on paper or using Google drawing to reflect your pre-design process. Think about designing their infographics (organization, information and visuals) before starting.

Example of Storyboard:
Step 7: Design Infographics

We will have classtime to work on these, but make sure you use Easel.ly, Piktochart or Infogr.am or other program and create an account to save all work. Here are some of the incredible infographics my students designed this year!
- **Step 1:** Submit a Proposal
- **Step 2:** Research, Research & Research Some More!
- **Step 3:** Evaluate the Credibility of Digital Sources
- **Step 4:** Explore Infographic Tools
- **Step 5:** Check Out Infographics
- **Step 6:** Storyboard
- **Step 7:** Design Infographics
